

IN THE COURT OF ADDL. CHIEF JUDICIAL MAGISTRATE, 47TH COURT,
ESPLANADE, MUMBAI.
C.C. No. 256/PW/2023

ORDER BELOW EXH-341

This is an application for supply of complete set of documents and for grant of six weeks to peruse the same. The documents were filed by the prosecution from the seized muddemal and these copies were supplied to the accused in the last week of February. Now it is being vaguely stated that the whole set of documents are not provided. The accused has been supplied with the copies and he did not elaborate as to which documents are not supplied. Hence, these statements have been made only with intent to protract the matter.

2. There can be no denial of the fact that the accused received the copies very late and they are running into thousands of pages. Essentially they are the minute books of the Bank. This accused is not concerned with the Bank but with the Home Trade Limited. Furthermore, seeking six weeks of time is completely ridiculous and reckless attempt to prolong the matter. While making oral submissions, the time of four days was asked to completely go through the documents. But this application shows a clear intent to delay the matter by raising such type of issues. Now the matter is posted on 17.03.2026 and this application is disposed of by noting the conduct of this accused.
